

SONG: Gonna Like it Here
Grace, Annie, and Servant Staff

GRACE

The swimming pool is to the left

ANNIE (Speaking)

Inside the house? Oh boy!

GRACE

The tennis court is in the rear

ANNIE (Speaking)

I never even picked up a racket

GRACE

Have an instructor here at noon

GRACE (Speaking)

Get that Don Budge fellow if he's available

ANNIE

I think I'm gonna like it here

GRACE

When you wake, ring for Drake, Drake will bring your tray
When you're through Mrs. Pugh, Comes to take it away
