

# WHAT'S AHEAD??

## **KINDERGARTEN OPEN HOUSE**

Please join us for the Kindergarten Open House in August! Specific date and time will be sent home in a letter and Sky Alert later in the summer. Make sure your mailing address is correct! The open house will be held before your child comes for their Kindergarten Assessment (KEEP testing). It is important for your child to meet their teacher at the open house, prior to coming for their testing appointment. You will be able to come say hello and ask any questions that you may have.

## **KINDERGARTEN TESTING**

Your child will come for a one-on-one appointment before school starts. They will test with their teacher while parents wait in the hallway and fill out some paperwork. The assessment will take approximately 20-30 minutes. We will cover many of the skills listed on the kindergarten readiness checklist.

We look forward to seeing you all later this summer!
