

Oakcrest SCC Minutes

September 9, 2024

In attendance: Ken Westwood, Cindy Anderson, Katie Zaragoza, Travis Workman, Parker Cluff, Eric Pedersen, Brandi Butler, Lane Perkins, Christa Banks and Niki George (JSD Board Member)

Our meeting began with introductions. Each member of the Council introduced him/herself.

We watched a brief video about the state Landtrust program by way of training. Council responsibilities include:

- development and oversight of a plan to use resources allocated by the state landtrust for the benefit of our students
- development and oversight of the school's safe access plan
- consulting on school's inclement weather plan
- ensuring the school takes necessary steps to teach safe media access practices

Travis Workman volunteered himself to chair our Council again this year and the vote to take advantage of him, yet again, was unanimous. Parker Cluff volunteered himself to serve as Vice Chair and the voting was unanimous in his favor.

Meeting dates/times were discussed. It was agreed that we would meet at 4 p.m. in the media center of the school on October 7, 2024, November 18, 2024, January 13, 2025 and March 3, 2025. Additional meetings may be scheduled on an "as needed" basis.

We reviewed our current landtrust plan and discussed its implementation. We also discussed some of the new things happening at Oakcrest this year: school counselor, social-emotional learning, principals book club and Wit and Wisdom.

Summative data from the 2023-24 school year was reviewed and discussed. Overall student proficiency outcomes on the RISE test were comparable to the previous year (a high-water mark for our school), but mildly disappointing as we were shooting for new highs. Student growth scores on the RISE and Acadience assessments were above typical, but below the standard set a year earlier. A mixed bag, but good results for our school.

Meeting was adjourned about 4:45 p.m.
